

## Risk Management, Fraud, Bribery and Whistle Blowing Policy

RCTTP comes under the umbrella of Redcar and Cleveland Borough Council for all matters relating to risk management, fraud, bribery and whistleblowing. In the case of issues arising to these matters we would refer to the council policy and the appropriate appointed officer. School partners should adhere to policies in their own schools.

The policy and procedure are available to all members of staff through the Council Intranet. An electronic copy of the policy is also stored centrally.
